Home Sweet Home: Get ready to spruce up the house in this home-themed unit. We'll turn tasks such as cooking, cleaning, sawing, painting, and hammering into fun, pretend-play activities that make us move creatively and use our imaginations. At the

same time, we'll explore the relationship between sounds and symbols, and build community as we sing and play together. Whether it's a great big house (or a den, nest, or burrow!), there's no place like **Home Sweet Home!**

Down on the Ground Home Kindermusik Kit Includes:

- Digital Music Album and access to the Kindermusik app for the duration of our classes
- book-style Family Guide (includes the class story *A House is a House for Me*)
